Subject: QASP for Indoor Air Sampling
Date: Tuesday, April 16, 2013 2:55:55 PM

Philip:

Just a heads up that we are going to send you a draft QASP for the indoor air sampling (suma cannisters) here at the Exxon Mayflower pipeline spill.... I'm hoping to have the draft from Weston ready for your review by late tomorrow.

Thanks for your help.... just let me know if you have questions/concerns.
